Auburn University at Montgomery is a public university in Alabama’s vibrant state capital. AUM fosters a collaborative learning environment that prepares students for successful careers.

“I’ve met amazing people. The school is very diverse; I’ve met people from almost every continent. People here are very friendly. The campus is in the middle of everything. If you want to go to the mall or to the movies, its just five or 10 minutes away....The campus always has something going on. It’s hard to get bored here!”
